English In Action

2021 Summer Language Camps
for ages 7–17

We are proud to offer one of the safest places in the world for English study.

Ask us about our COVID–19 Health and Safety Guidelines to learn more.

Safe, isolated, ocean campus and new excursions to Victoria and Vancouver.
Canada
With its progressive social policies and diversity-loving citizens, Canada is a mecca of multiculturalism and tolerance. Universal health care and strict gun laws make it a safer, more relaxed country than its neighbour to the south. Its unique mix of cosmopolitan cities and natural wonders offers the best of both worlds to residents and visitors alike.

British Columbia
This westernmost province is known for its proximity to oceans, mountains, and forests, while being an exciting, progressive province that is home to a diverse population that enjoys a healthy, active lifestyle. It is also known for its world-class schools, cleanliness, beauty and safety.
Giving Students a Life Advantage
For over 35 years, Kingswood Study Group has helped students from all over the world improve their English skills in fun and adventure-filled programs. At Kingswood summer language camps, students practice their English, make lasting friendships, and take part in skill and esteem building activities. The life skills and positive character traits they learn help build their confidence and give them an advantage for future careers.

At Kingswood, our certified teachers and counsellors are experienced, passionate about their work, and attentive towards students. Safety is always a top priority. Delivering unforgettable life experiences to thousands of international learners, Kingswood is the top name in summer English language programs for international learners.

Diversity in the Classroom
Campers are divided into two age groups, 7-12 and 13-17, for all activities and classes. Campers from all nationalities come from all over the world to learn.

Meals and Special Diets
All meals and dietary needs are met. Students in residence are given three meals and an evening snack every day. Fresh meals are served buffet-style. Vegetarian options are available and all other special diets can be accommodated.

Airport Transport and Transfer
Kingswood representatives meet students at the Vancouver International Airport to transfer them to the Vancouver Island program; a representative meets the student at the Vancouver International Airport and accompanies him or her to the island via ferry, and then to campus.

Our Staff
Kingswood staff come from across Canada. Teachers are Languages Canada certified and ESL or TOEFL qualified. Counsellors strictly follow the BC Camping Association guidelines. Staff are selected through a rigorous and time-tested interview process based on intelligence, compassion, and kindness.

Safety First
At Kingswood, every possible precaution is taken to ensure the safety and health of our campers. Medical staff, security personnel, and a councilor are on-site at residences 24 hours a day. Rules and procedures are designed to ensure the safety of all. A brief summary is provided below. Please ask for our complete Safety–Health plan for more information.

- A health clearance and screening questionnaire must be filled out before acceptance to camp is allowed
- Highly trained staff on COVID-19 safety
- We are available 24/7 for questions
- Two-week pre quarantine at home with validated daily results
- Immediate quarantine of any symptomatic students
- On-site doctor and nurse
- Same teacher/counsellor and small student pods

English in Action

- New COVID-19 health–safety guidelines and 24+ health checks
- Additional medical team members
  - Smaller class sizes
  - Classes in English by highly qualified staff
  - Fun group regulated excursions with social distancing measures and with minimum two half day and one full day each week
  - Sanitation schedule including hand washing disinfectant
  - Afternoon activities highlighting projects on Canada, team/skill building leadership while learning English
  - Evening activities for campers living on campus
- 24 hour supervision and medical facilities
- Accommodation at one of Canada’s premier schools with isolated private grounds
- Home cooked fresh meals

Why Kingswood?

• A health clearance and screening questionnaire must be filled out before acceptance to camp is allowed
• Highly trained staff on COVID-19 safety
• We are available 24/7 for questions
• Two-week pre quarantine at home
• A health clearance and screening questionnaire must be filled out before acceptance to camp is allowed
• Immediate quarantine of any symptomatic students
• On-site doctor and nurse
• Same teacher/counsellor and small student pods
Day Program with Teachers
Kingswood teachers are Language Canada certified with backgrounds teaching ESL. Through interactive classes and activities, they focus on increasing oral and safe communication in English. Classes are staggered with fewer students in each class to ensure social distancing.

After Class with Counsellors
Counsellors oversee outings and events after the school day is done. With core Kingswood values such as kindness and patience, they are well-equipped to work with youth from around the world. Counsellors live on site to provide 24-hour care and supervision. Each counsellor is health checked daily and stays with their small student pod for added safety.

English Class
Kingswood’s summer programs include 20 hours of English classes per week in the classroom. Students are assigned classes based on English abilities, age and nationality (to ensure a diverse mix). Oral skills are emphasized, while teachers also include grammar, reading and writing skills. The curriculum also includes learning about Canada, multiculturalism, ecosystems and leadership.

Outings & Events
Students will visit world renowned landmarks and attractions and take part in small bubble activities such as paddle boarding, hiking, and whale-watching. In the evenings, they will be encouraged to take part in games that emphasize team-building and self-reflection utilizing conversational English. Vancouver, Victoria and pristine Brentwood College will check all the boxes for a full experience.

Campuses
Kingswood offers separate age-appropriate dormitories for boys and girls. Our isolated location is surrounded by beautiful natural surroundings with students living in residences at Brentwood College – one of the premier schools in British Columbia with top-class amenities.

New Vancouver Excursion Curriculum Upon Arrival.
Prior to the ferry ride to safe and isolated Mill Bay on Vancouver Island, students will safely see all the major tourist attractions in Downtown Vancouver. Students will experience the lively city beat and infamous downtown attractions before heading to Vancouver Island. Once settled onto Brentwood College’s premier location on its own private beach students will visit many intimate quintessential waterfront towns/festivals/bays including whale watching. A full day excursion to Victoria will fulfill the entire British Columbia experience! This is a new edition to our schedule of events without additional costs.

Health and Safety for Staff and Students:
Please refer our Covid-19 health regulations and procedures that coincide with WHO, Canada, British Columbia and personal Brentwood College guidelines.

The Junior English and Multi Activity Program

Students 7-12 will learn essential language skills while taking part in recreational excursions and social activities. Along with improving their language skills, learners will be introduced to Canadian culture and important landmarks. Activities might include swimming, field games, whale-watching, and a visit to a museum, all overseen by our certified and safety conscious counselors in world renowned Canadian treasures. The Junior English and Multi Activity Program provides a fun filled experience learning “English through Action” making memories and friends for a lifetime.

Our Learner Programs

- 20 hours of classroom time to improve English fluency and written English skills
- Confidence through competency of the English language
- Life long friends and memories
- Learn about Canadian culture, history and geography
- Immersive and sensory learning
- Acquire new skills through sport, team work and leadership opportunities
- Fun filled age-appropriate excursions
- Safe low counsellor/student ratios
- Organized instruction in a range of activities
Our Learner Programs

The Global Teen Program

This program is geared to students ages 13-17 years old with a focus on conversational English. It encourages campers to practice their language skills in daily tasks and in individual and group projects. They will also take part in team-work projects on excursions specially designed to challenge and empower teens. Activities might include kayaking, beach volleyball and a visit to a water park. With students from all over the world in the program, campers become global citizens who have an international understanding and perspective. Students come away from the program with stronger academic English and communication skills, core life skills and competencies need to succeed, and lifelong friends and memories.

- 20 Hours of English in the classroom to improve their English fluency and written English skills
- Acquire team-building, confidence-building and leadership exercises
- Teen appropriate excursions and activities to enhance self esteem, personal responsibility and resourcefulness
- Learn about Canadian culture, history and geography
- Experience North American lifestyle
- Increase their fluency and confidence in English
- Learn new creative, sport and social skills
- Meet students from all over the world
- Be better prepared for life
- Organized instruction in a range of activities
Vancouver Island offers a quiet and safe environment for learning. Its natural wonders, including forests, parks, and the ocean have a positive affect on students' learning abilities, and connects them to their environment.

Our Vancouver Island summer camp location includes activities that take full advantage of Vancouver Island’s unparalleled surroundings: whale-watching on the rugged Pacific Ocean, zip-lining in an adventure park, horseback at a prestigious equestrian riding academy, hiking in world famous forests and parks. Experiencing the West Coast’s natural wilderness will change campers’ perceptions forever.

Upon arrival, students will take the ferry to Victoria on a ride filled with adventure and stunning views. Kingswood has partnered with one of the island’s finest schools to provide residences, facilities and amenities to our students.
Brentwood College

One of Canada’s finest boarding schools, Brentwood boasts a kilometer of waterfront, and is only 40 kilometers away from the provincial capital of Victoria. While staying at Brentwood, students will experience excursions, social activities and more that take advantage of the school’s oceanside setting at one of Canada’s premier locations and colleges.

Activities Available at Brentwood

• Tennis & Badminton
• Paddle Boarding & Kayaking
• Arts, Music & Crafts
• Canadian All-Star Soccer Academy
• Basketball & Baseball
• Field Hockey
• Beach Volleyball
• Rock Climbing
• Challenge Course & Zip Line
• Go Karting
• Cardio Zone
• Horse Riding
Alpine Stables

For more than 56 years, the Equestrian Program at Alpine Stables has been graduating young competitive riders with the best horse riding and leadership team giving them a distinguished presence in British Columbia. The Staff include Equestrian Canada certified coaches with successful competitive backgrounds as riders and trainers that can train a novice or an experienced rider.

At our Vancouver Island based camps our focus is safe riding and horsemanship practices to riders with limited or no prior riding experience to highly competent riders. Weekly participation is 3 half days a week and students will learn to walk, trot, canter and prepare their horse for riding. Queen Margaret’s team also assists more experienced riders in developing their skills both in the saddle and in the stable. The student’s level of riding will be assessed by the highly trained team upon arrival.

Horse riding and leadership programs are a wise choice to learn how to communicate more effectively and build new relationship skills. A huge boost of confidence happens when you learn to connect and interact with horses. Create a memory that will last a lifetime that you cannot get from a traditional summer camp, and its fun too!
Unaccompanied Minors
Parents or guardians must inquire to individual airlines about age restrictions and guidelines for minors traveling alone. Please let the airline know that an unaccompanied minor will need supervision for their travel to and from Vancouver. The airline will arrange for an attendant to help the child through customs and with boarding. When arranging for this special service, the airline also needs to be informed that a Kingswood representative will be picking up the child from the Vancouver International Airport. An unaccompanied minor service fee will apply through the airline for both ways and should be paid for in advance of coming to camp.

Airport Pick Up
All unaccompanied minor chaperone airline fees are not included in our fees. An experienced representative will be waiting for your child at Arrivals at the Vancouver International Airport. They will be wearing a bright noticeable Kingswood official t-shirt and holding a large Kingswood Study Camp sign. Students will be escorted directly to the corresponding school of choice where they will check-in and meet their counsellor.

A Kingswood representative will notify parents via email on the day their child arrived safely in Vancouver. Emails to receive the confirmation must be completed on the Flight Information Form provided upon registration.

Valuables
Students are advised not to bring unnecessary valuables to the program. A safe is available for students to keep valuables for a nominal weekly fee and they will have access in the evening on specific days and at set times. Students are advised and reminded to lock their dorm door at all times. Kingswood Study Camps denies responsibility for lost or stolen items during the students’ participation in the program.

Travel Documents
Upon arrival, all students are required to submit their return ticket and passport to Kingswood office management staff, or to their accompanying chaperone if at homestay. If these documents are not submitted to Kingswood upon arrival, the loss or misplacement of these documents will be the student’s and parent’s responsibility to replace.

Pocket Money
On average about $75–$100 CAD per week should be sufficient for spending money. Additional cash for emergencies should also be brought. We recommend that students bring most of their funds in the form of insured traveler’s cheques, with only a small amount of cash. Withdrawal of money can be made from the Kingswood safe at designated times.

Safety and Security
Only authorized personnel and students are given keys to the dormitories. Students are assigned Counsellors who stay in the same dormitory area as their students. KSC management is on duty in the evenings and on weekends in the event of an emergency and to assist with other issues. Security Guards patrol the campus grounds at night. Safety first!
Communication
Parents can call our office or email to leave a message for their child. A secondary option is to call the participating school office to leave a message. Staff will deliver the message to the student during a break period in the program. Cell phones will be allowed for selected times in the evening on “down time”. Pre paid phone cards are sold by KSC for $10 for public pay-phone located on campus. Counselors will help their students call home during free time, primarily in the evenings after returning from their outing. Remember no phone calls from us means that everything is all right.

Canadian Relatives and Visitation
Parents or guardians need to fill out the Parental Consent Form to authorize friends or relatives who would like to visit and take students off-campus for personal outings. Advance notice must be provided of a student leaving. Students need to check-out/in at with the Kingswood counsellor and management.

Illness, Injury and Sickness
KSC arranges medical insurance coverage for all students for the duration of their program. In the case of sickness, accident, injury or emergency, our staff will accompany the student to receive immediate 24 hour medical attention.

There is a hospital nearby all program locations. A medical incident report will be filed and parents will be notified.

Provisions and Amenities
KSC will provide students with bedding for their dormitory room that will be cleaned regularly. All students are expected to bring their own towels and toiletries for the program that should be labeled with their name. In the event that an item is lost or forgotten, Counselors can help students purchase such an item on one of their off-campus outings. A list of clothing and other toiletries will be given to parents after registration.

Food and Provisions
Students are provided three fresh meals mainly from the participating school’s cafeteria and an evening snack every day. Packed lunches or dinners will be provided on some outings. There are also BBQs and special dinners provided as part of the program itineraries. If students wish to purchase snacks outside of meals times, there are stores, restaurants and vending machines near each program residence location. Students are not permitted to visit these locations without the supervision of their Counselor.

Cell Phones, Tablets and Laptops
Students will have designated set times outside of the classroom for media and telecommunication usage/calls/play. No inappropriate sites or gaming allowed. iCloud location privacy must be switched on at all times.
Overview
- All participants will fill out a health screening questionnaire before attending the camp
- Staff have been highly trained on safety and are committed to ensure that everyone is safe at our camp
- We will be available 24/7 for any questions
- We are committed to creating safe experience for the health and safety for our students
- Two-week pre quarantine at home with daily results validated
- Covid-19 testing available upon arrival
- Immediate quarantine of any symptomatic students
- On-site doctor and nurse for the duration of camp
- Please see the following links for further information:
  - Who Guidelines
  - British Columbia Health Guidelines
  - Brentwood College Covid-19 Guidelines

Wearing A Mask
- Under the updated health and safety guidelines, masks are required for all staff and all students when they are in high traffic areas like school buses and hallways, and anytime they are outside of their classroom or learning group and they cannot safely distance from others
- Even when wearing a mask, staff and students will still be required to maintain physical distance from people outside of their learning group

Practicing Physical Distancing
Reducing the number of close, in-person interactions helps prevent the spread of COVID-19 and any other infectious diseases.
- Keep a safe distance from others. The British Columbia Centre for Disease Control (BCCDC) recommends at least two metres
- People in a learning group don’t need to stay two metres apart but they must limit physical contact. Classrooms will be set up to promote spacing between students where possible
- Spread students and staff out to different areas when possible with staggered timeline schedules and activities
- Stagger break and transition times
- Remind students to keep their hands to themselves and off their faces
- If employees or staff are sick, they will be in self-isolation or quarantine

Using Shared Items
- Limit use of frequently-touched items that can’t be easily cleaned
- Clean and disinfect laminated materials daily if multiple people touch them
- Clean and disinfect frequently-touched surfaces at least twice every 24 hours, including:
  - Doorknobs
  - Light switches
  - Toilet handles
  - Tables, desks and chairs
  - Keyboards
  - Sport Equipment
- Avoid sharing all food and drinks
Practicing Hand Hygiene

- Rigorous hand washing is the most effective way to reduce the spread of illness. New and multiple cleaning stations will be located around camp with reminders from staff.

- Wash hands with plain soap and water for at least 20 seconds

- You don’t need antibacterial soap for COVID-19

- The temperature of the water doesn’t matter, though most find warm water to be the most comfortable

- Have regular opportunities for staff and students to practice hand hygiene

- Help younger students with hand hygiene as needed

- If there isn’t a sink (like when students and staff are outdoors), use portable hand-washing sites or alcohol-based hand rub with at least 70% alcohol

- If hands are visibly dirty, soap and water are best. If they’re not available, use an alcohol-based hand wipe followed by alcohol-based hand rub with at least 60% alcohol

- Encourage campers and staff to practice respiratory etiquette:
  - Cough or sneeze into elbow sleeve
  - Dispose tissues in garbage cans
  - Wash hands with plain soap and water for at least 20–30 seconds or use an alcohol-based sanitizer with at least 60% alcohol content

- Avoid touching one’s face

Cleaning The Campus

- Clean and disinfect frequently touched surfaces at least twice a day including:
  - Washrooms
  - Rooms
  - Showers
  - Cafeteria
  - Sport and Activity Equipment/Facilities
  - All horizontal counter tops
  - Classrooms, desks and chairs
  - Clean and disinfect all surfaces continuously
  - Use microcode cleaning and disinfectant products
  - Limit frequently touched items that aren’t easy to clean
  - Empty garbage containers daily
  - Clean and disinfect laminated materials daily if multiple people touch them
